## KFN Micro Grants Agreement

Dear Nur Hidayah,

KAICIID Fellows Network micro-grants aim to support the continuing development of KAICIID Fellows alumni (KFN members) in a sustainable way that will empower them to continue to contribute to the mission of KAICIID and the field of Interreligious Dialogue. It is an incentive for Fellows Alumni continued engagement and collaboration on continuing projects and new joint initiatives in the field of IRD. Micro grants will serve as a catalyst for members' self-directed continuing learning and development in the field of IRD.

Fellows Alumni COVID-19 Micro Grants aims to support Religious and community actors to conduct awareness-raising campaigns addressing the crisis and calling for people to comply with the preventive measures and enhance social cohesion.

Your proposed initiative **"Religious Leaders' Role in the Middle of COVID-19 Pandemic"** has been approved by the review committee for initiatives and it is expected that you will implement it to the best of your ability according to the terms defined in the proposal during the period from June to October 2020.

The implementation of such Initiative is meant to provide you with an opportunity to build upon your existing skills and knowledge, and also to help in disseminating what you have learnt. It is also an opportunity to evaluate your progress and to potentially assess the opportunities for incorporating IRD at your institution.

KAICIID undertakes to contribute the amount of **€1,500** to support the implementation of the initiative you proposed to complete your training.

You undertake:

- to use the funds specifically for the proposed event, unless otherwise authorized by KAICIID;
- to take full responsibility for any charges or fees levied by the receiving bank;
- the Implementation must meet the standard of **"Do no Harm."** (i.e. contribute to exacerbating the current crisis in anyway by unnecessarily gathering groups or supporting gatherings which seek to undermine contradict WHO recommendations on social distancing etc.)
- to inform the KAICIID secretariat, Fellows staff, and to discuss your situation and, if possible, to make other arrangements, if, for any reason, you should decide to change your plans;
- that KAICIID has no responsibility besides providing the funds for your participation;

- to contact the Fellows team to determine if accommodations can be made in the case you are unable to complete the initiative within the time frame or if you experience significant challenges;
- to submit to KAICIID your final narrative report for the Initiative with its deliverables, including a summary of the costs in financial report and the receipts of the expenses, at the latest two (2) months after the implementation of the initiative, unless otherwise agreed with KAICIID;
- to use the KAICIID Fellows (KIFP) Logo according to the terms outlined in KAICIID KIFP logo agreement as well as to use the relevant disclaimers;
- not to use the name, acronym, logo, and emblem of KAICIID, or any abbreviation thereof, without KAICIID's prior written approval;
- to indemnify and hold harmless KAICIID in respect of all claims, liabilities, costs and expenses in connection with the event;

You will own any right, title and interest, including copyrights, in and to any materials that you produce in connection with the Initiative. However, you grant KAICIID a royalty-free, non-exclusive, non-transferable, irrevocable license to use, translate, modify, and create derivative works of these materials for the pursuit of its mandate. Should claims be raised against KAICIID for the infringement of intellectual property rights, you will indemnify and hold KAICIID harmless in respect of all liabilities, costs, and expenses arising from these claims.

KAICIID reserves the right to withhold the payment of the Contribution or to request the refund of the Contribution if KAICIID has proof or reasonable grounds to believe that you, or a third party attributable to you, may fail or has failed to spend the Contribution exclusively for the proposed initiative in accordance with the provisions of this Form. Prior to exercising this right, KAICIID will consult with you to find an amicable solution.

KAICIID and you agree to settle amicably any dispute or complaint arising from your participation or this Form. Nothing in or relating to this Form is to be understood as a waiver, express or implied, of any of the privileges and immunities of KAICIID under international or national law.

By signing this Form, you agree to the terms outlined above, to implement you initiative in good faith, and you confirm that the funds received will be solely directed toward this end.

Please complete the form below and send us a scanned copy with your signature and accurate/clear banking information as soon as possible.

### What training and support did your project provide to the participants?

1. Before starting to make videos and posters, we provide a general discourse on interreligious dialogue, thus the participants will understand in the beginning and focusing the discussion.
2. During the discussion, religious leaders from 6 official religions in Indonesia explained their respective roles in dealing with the Covid-19 pandemic, such as appealing to their respective congregations to follow the government's advice to worship at home in accordance with established procedures
3. We have made 6 videos and posters that we shared on social media to make it easier for people to understand how to effectively worship at home during the Covid-19 pandemic

### **B. Report out outcomes of the project's implementation**

#### Additional Questions

##### **1. Provide a general summary of the project you have implemented and its main achievements:**

1. Interreligious dialogue among each religious leader  
This program taken place with the full attention of the participants, the discussion topic was very interesting to the participants and they have been enthusiastically issued the ideas and opinions that are very useful and supportive in making a video campaign to inform the society how to effectively worship at home and some spiritual encouragements and a best practice home activities poster that will advise people to better worship at home
2. This program have been done with the full attention of the participants, the dialogue was very valuable and enjoying to the participants and they have been enthusiastically joint the dialogue

##### **3. Summary of the results and outcomes; what were the achievements:**

We have been make six videos campaign as a result of the dialogue to inform the society how to effectively worship at home and some spiritual encouragements and a best practice home activities poster that will advise people to better worship at home  
This program also generates commitment that religious leaders and the society will implement the videos and posters that have been created together.

##### **4. Describe the challenges that you faced and how did you address them:**

1. I have been face the challenge like timeliness among the participants because the average participant is a person who has a lot of activities so that each one has to have a schedule, but I solve it by doing contract and control of time to them. The other thing is the discussion sometimes became widespread because that topic is very attractive and can be viewed from any aspects, but with my role as a facilitator function control and manage it well.
2. we found some challenge such as the network connection, and some limitations but it can be we've been through that became a passion for us implemented activities well.

**5. What are your plans to sustain and grow this particular project (follow up):**

1. I and my team will follow up on these activities, disseminating information to the public more massively through social media in order to inform the society how to effectively worship at home and some spiritual encouragements during covid-19 pandemi
2. We want to continue the program to make a guidance how to effectively worship and some spiritual encouragements after pandemic covid-19/new normal

**6. Describe if and how the project has been enhanced by collaboration with KAICIID:**

Because the program requires a lot of sharing about the role of the religious leaders during the pandemic covid-19. KAICIID also became a partner and support system for sustainable development of interreligious dialogue.

**7. Other comments:**

The videos campaign and the posters can be shared to the wide community that want to know the guidance how to effectively worship and some spiritual encouragements during the pandemic or new normal covid-19. By sharing the information through the videos and posters, the community can undertand the importance of social distancing and good advice for worship in the home.

1. Tell me more about yourself and your organization, what you do normally?
